CHARACTER

Fresh guava, yellow stone fruit and melon aromas combine with citrus blossom and creamy notes of brioche on the nose. The zesty acidity and textured mineral palate finishes with great body and lingering bursts of flavour.

PREPARATION OF WINE

Chenin Blanc grapes were handpicked quickly transported & processed at the cellar to ensure preserving the grapes' valuable flavours. The juice was settled overnight and racked to stainless steel tanks. A slow and cold fermentation preserved the fresh Chenin Blanc flavours and extended lees contact after fermentation added rich texture to the wine.

SUGGESTED FOOD

Perfect on its own on a beautiful summer's day and will complement creamy seafood dishes, pork-belly & chicken liver pate.
